

YOUR PATH TO SUCCESS

RESTAURANTS

Boelter has become synonymous with unparalleled customer service and has consistently gone the extra mile to help our customers succeed.

As an industry leader with more than 90 years of experience, Boelter understands what it takes to provide scalable support for the immediate and ongoing success of your business. We welcome the opportunity to become your partner of choice.

DESIGNS THAT ENHANCE CREATIVITY

One size seldom fits all. Having more options available to choose from often sparks creativity. Boelter works with you to realize your unique vision and helps you stand out from the competition.

VALUE, RELIABILITY & TRUST

Spend less time worrying about your equipment and more time concentrating on what matters most – your craft. Our attention to detail translates into kitchen spaces designed for high traffic, optimal efficiency, safety and flexibility. Just as important, our dedicated support team is available to service any of your ongoing needs, including warranty and service, replacement equipment, smallwares, re-supply and disposables.

INCREASED QUALITY

The authenticity of your food is what brings your customers back and converts first time guests into regulars. An engaging, front of the house experience promotes greater word of mouth that quickly spreads from one customer to the next. Our design team will work with you to ensure that all of your needs are met and that safety – for your staff and you customers – are top of mind.
